Sometimes, Kitty will do this for hours.

every now and then .

# BATH \*

But, of course, that's never going to happen if Kitty doesn't take her bath first.

Well, I'll be . . .

• CHAPTER FIVE •

THE  
BATH

Now that you finally have Kitty in the bathtub, gently use a cup or small pot to pour warm bathwater over her to soak her fur.

Try not to pour water directly onto Kitty's head. Instead, use a soft, moist towel and gently wipe her face and head.
