Yeah?

Kitty's a huge fan! She's even read all the LOVE LOVE ANGEL KITTY books!

These books

They're okay, I guess.

• CHAPTER EIGHT •

LOVE LOVE ANGEL KITTY JAIL

Dear Diary,
Life inside the Love Love
Angel Kitty jail is worse than I'd
ever imagined. My cellmate has
found a harmonica, and while
it's impressive that she
knows how to play a
harmonica, she only plays the
Love Love Angel Kitty theme
over and over and over again.
Crime doesn't pay.
